PRESS RELEASE For immediate use

Valiant opens New Office, Research & Development Center in Bengaluru, India.

May 25th 2021: Valiant Communications Limited is pleased to inform the opening of its New Office, Research & Development Center in Bengaluru, India.

The address location is:

Valiant Communications Limited - R&D Center
Plot No.27, Defense and Aerospace Park (KIADB),
Devanahalli, Bengaluru – 562110, Karnataka, India

According to Mr. Inder Mohan Sood, Managing Director of Valiant Communications Limited “Our new office and R&D center which is located very close to Kempegowda International Airport Bengaluru, KIAL Road, Devanahalli in Bengaluru, Karnataka will immensely add to our R&D strength and fast-track our ongoing and new development projects”.

About Valiant Communications: Valiant is engaged in design, development and manufacture of cutting-edge technologies and solutions that include Valiant’s Unified Network Management System for the secure remote configuration and management equipment to cater to utilities across the world including infrastructure companies such as Power Grid Corporation (India), National and State Electricity Boards, Airport Authorities as well as Corporate Networks, Banks and Financial Institutions in over 110 countries.
